# DOWNLOADING

Download Time Simple app

Download link.

App Store link

https://apps.apple.com/nz/app/timesimple/id1511112710

### Alternatively:

Open the link on your phone browser: <u>https://www.novait.co.nz/TimeSimple/download.php</u>

### What to do next:

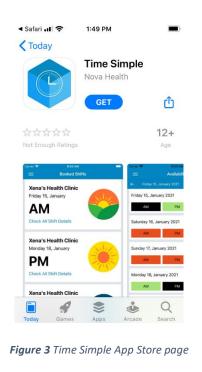

- If you open the Nova IT link on your browser, you will see the page for the Time Simple apps (*Figure* 1).
- 2. Click on the download icon for Apple apps (*Figure2*).
- 3. You will be redirected to the Apple App Store where you can download the app. Alternatively, you can search for the app on the App Store and download straight from there or use the App Store link above (*Figure 3*).
- 4. Close your browser, and on your home screen you will see the app being installed. Once it is finished installing, you will see the Time Simple icon on your home screen.
- 5. Click on the app to open it.

Figure 1 Download icon on the Nova IT website.

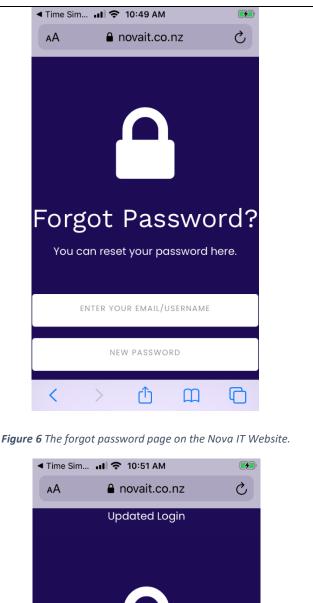

Figure 2 Download icon for iPhones

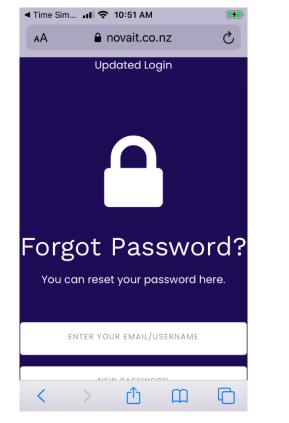

Logging into the app		
6. When you open the app for the first time, you will see the Welcome screen and the Login button (Figure 4). Tap on the Login button to login.	<page-header></page-header>	
7. Enter your login information. Once you	Figure 4 Time Simple Welcome screen ■ Spark NZ  ♀ 9:48 AM	
have entered the login ID/email and password, tap on the Log In button at	Back Welcome Log In	
the top right corner of the screen to login. ( <i>Figure 5</i> )	Login ID	
If you are having trouble logging in,	Password	
please follow the instructions in section 10 to reset your password using the	Password	
Forgot Password? link.	Forgot Password?	
Please note that if your password changes, then it will be changed for both the website and the app.		
	Figure 5 Time Simple Login screen	

#### Forgot Password/Reset Password

- 8. If you forgot your password, simply tap on the Forgot Password? link on the Login screen. Please refer to Figure 5 for the forgot password link.
- 9. Once you have tapped on the Forgot Password? link the app will redirect you to the forgot password page on the Nova IT website (*Figure 6*).
- 10. Enter your login ID or email address that you provided to your agency and your new password. Click on the Reset Password button.
- 11. A message will appear saying "Updated Login" (Figure 7). Your new password will now work with the app.

your timesheets can be successfully submitted. For more about offline timesheets, please refer to the Offline Functionality section on page 18. Please note if you are having difficulty using the app to submit your timesheets, please use a paper timesheet and then contact your agency.	<b>Figure 14</b> Time Simple Timesheets screen.

#### **Review Your Timesheets**

- 24. Tap on **Review For Submission** (Figure 14) on the shift that you just did. The app will let you review the shift location, date, start and finish time, break, and you can put a note about that shift (Figure 15). If you change the start time, finish time, or select no for meal break, you must leave a note explaining why. You can make modifications on the shift start and finish time, if approved by a supervisor (client). After leaving a note dismiss the keyboard by tapping somewhere else on the screen.
- 25. Give the timesheet to your supervisor to review and sign your shift. Please refer to the next instruction on who can sign your timesheet. After they have written their name, press **Sign and Submit**.

#### How to Send Email

42. If you wish to send an email to your agency to ask a question, you can do so by selecting **General Enquiry** from the main menu and an email template

will show up (*Figure 22*).

43. The **General Enquiry** screen provides a message box for users to type their message and then send straight to your agency email. This can be done by typing

your message then pressing

- 44. If you wish to send an email to the developers of the app, Nova IT, you can use the **Suggest Improvement** screen, which can be selected from the main menu. A screen like **General Enquiry** will show up (*Figure 23*).
- 45. The **Suggest Improvement** screen allows you to type out a message to Nova IT, detailing any ideas for improvements you may have for the app.

What to do if you get an error message when using email:

46. You need to setup Mail on your device, setting this up would mean that you will be able to use the email functionality on the app.

Figure 25 General Enquiry screen

Close the app		
47. To close the app, simply press the <b>Home</b> button.	📲 Spark NZ 🗢 12:33 🐵	97% <b>B</b>
Please note, if you do not logout and just press the home button you will be automatically logged in when you next open the app.	Booked Shifts	Healt y 15, Ja M All Shif
Logout 48. If you wish to logout from the app, simply tap on the icon on the left corner of the screen and select Logout ( <i>Figure</i> 24).	<ul> <li>Timesheet History</li> <li>Unsent Timesheets</li> <li>Custer Timesheet</li> </ul>	
Please note: You do not have to logout every time you finish using the app. Simple close the app by clicking on the home button on your iOS phone. The next time you come back to the app you will be automatically logged in.		
49. The app will redirect you to the <b>Welcome</b> screen. Please refer to instruction 6 for the <b>Welcome</b> screen.		

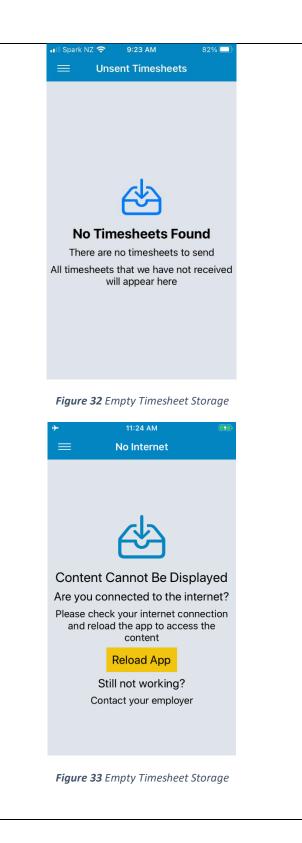

# TROUBLESHOOTING

I need help using the app	
50. If you are experiencing issues with using	nti Spark NZ 🗢 9:51 AM 🕢
the Time Simple app you can ta <u>p on</u>	😑 Report Issue 🕥
<b>Report Issue</b> from the main menu icon and tell us what problem you are having.	Document your issue below Please describe the bug
Please note, the app is designed to work at all facilities, however, if you are having issues the default is to use a <u>paper</u> <u>timesheet</u> , which should then be sent to your agency, then follow up with contacting the office during business hours	What did you do before the bug occurred? Can you reproduce the bug?
contacting the office during business hours to explain your situation.	
	If Yes, which steps do you take?
Alternatively, if your request is urgent, please phone your agency.	
	Are there any error messages? What do they say?
	Figure 28 Report Issue screen
Contact Us	
51. If you need to contact your agency, you can select the <b>Contact Us</b> screen in the main menu , from there you can click one of the two phone numbers to call your agency or click the email address to send them an email. Additionally, you can go to their website using the last link.	Contact Us Contact Us Contact Details Main Contact Secondary Contact Email Contact Website
	Figure 29 Contact Us screen

Offline Functionality	
<ul> <li>52. The Time Simple app supports limited offline functionality. While offline or in areas with poor network connectivity, you can still view information about your booked shifts and sign off timesheets. You can also still view the <b>Contact Us</b> screen, though some links may not work.</li> <li>53. You will know when the app is offline, as an orange/red bar at the bottom of the screen will say offline. This will remain permanently until you regain network connectivity and refresh the app.</li> </ul>	<ul> <li>In the second second</li></ul>
Submitting Timesheets offline54. You can still go through the process of submitting timesheets while not connected to the internet. Follow the process as described above from instruction 23 When you get to the Rating screen and press Submit, you will still be redirected back to the Timesheets screen. However, the timesheet will not have been sent. Instead, it will be stored on the phone until network connectivity is re- established.	<ul> <li>Y 9:24 AM 82%</li> <li>Unsent Timesheets</li> <li>Nova Healthcare Friday 4, June</li> <li>Friday 4, June</li> <li>Send Timesheet</li> </ul>
55. You can see any stored timesheet by navigating to the <b>Unsent Timesheets</b> screen via the main menu. If there are any shifts that have not been sent yet, you will be able to see them here. If you have no shifts to be sent, you will see <i>Figure</i> 29. You can manually attempt to send these timesheets by tapping each one individually on <b>Send Timesheet</b> . Tap on it once, and then navigate back to any other menu. If you come back to <b>Unsent</b> <b>Timesheets</b> , you should see that it has	Offline Figure 31 Timesheet Storage screen

disappeared. Alternatively, opening the app onto the **Booked Shifts** screen after network connectivity is regained will send the timesheets that are currently signed and stored on the device.

- 56. If you attempt to send a timesheet and it remains in the timesheet storage screen, something may have gone wrong. Try to send it again. If the problem persists, give your agency a call and explain the problem.
- 57. If you try to view a screen that cannot be accessed while offline, you will see *Figure 30.* Clicking **Reload** will take you back to the **Booked Shifts** screen and attempt to reload the app.

# FAQs

# I try to install the app, but the Time Simple icon is greyed out.

You may have other updates that are pending and restricting the app from downloading. Try stopping the other apps from trying to update, then try and download the app again.

## I did not receive an email to reset my password.

After requesting a reset password, you should receive an email immediately to finalise the process. If the email has not arrived, please try the following:

- Check your spam / junk folder in your email account.
- Contact the office to confirm which email address is set up for you on the website.

If the email still does not arrive, contact the office to reset the password on your behalf.

# What do I do if my client cannot physically sign the timesheet?

Some clients for whatever reason are not physically able to sign a timesheet. If this is the case and there is no other relieving staff member to sign the timesheet on their behalf, then you will need to follow the process below:

- 1. Under the notes section, write an explanation why the client cannot sign the timesheet.
- 2. Under the Shift Supervisor Name enter your client's name
- 3. Click the Sign & Submit button
- 4. Write "N/A" into the box where the shift supervisor would usually sign their name.
- 5. Click SAVE

The payroll team will assess on a case-by-case basis and contact you if there are any queries regarding the above.

# I have just downloaded the app; what should I do with the previous shifts I can see?

Once you have downloaded the app and logged in, you only need to submit your timesheets from that point forward. Any previous shifts should disappear after the next pay run, if you have sent in a paper timesheet.

### I cannot download the app; my iOS version is not supported.

The app only supports iOS version 13 and above. You will need to check for system updates on your phone and update to the latest version. Alternatively, if your phone does not support upgrading to the latest iOS version then you will need to revert to using paper timesheets and contact the office to advise us of this issue.

How to find iOS version:

- 1. Go to Settings.
- 2. Press General
- 3. Press About
- 4. The number displayed next to Software Version is your iOS version.

### I cannot login / do not know my login details

You can login with either your login ID or email address. Please contact your agency if you are not sure what these details are.

If you do not remember your password, click on the Forgot password? button. You will be redirected to the Nova IT website where you can go through the process of resetting your password. Once

reset, open the app again and try logging in with your login ID or email address and the new password that you just created.

An update available message is restricting me from logging into the app.

From time to time we might release an update to the app with improvements and bug fixes. Therefore, if you see a message with Update Available, please follow the process to update to the latest version. <u>Please note, to use the app you must always have the latest version of the app</u> <u>installed.</u>
